

Bengali Academia for Social Empowerment (BASE) is a developmental organisation, registered as a trust by a collective of academicians, scholars, professionals and other like minded people working for community and social development. In current socio political scenarios and backwardness of certain sections, we think that there is a tangible need to organize intellectually. This is an effort to reach out as many as we can in various ways and platforms

BASE'S Relief Works all over West Bengal. Most of the community Kitchens situated in South 24 Parganas. Following are few images of BASE's Relief Work after the Amphan Supercyclone Crisis in May – August 2020
